The Studies in Sexualities Advisory Board is calling for Expressions of Interest from faculty, staff, and graduate students who would like to serve an upcoming term (Fall 2022-Spring 2024) on the SIS Advisory Board. The Advisory Board meets 2-3 times a semester to organize programming and events.

Please send an Expression of Interest (around 250 words) to Stu Marvel (smarvel@emory.edu) by Friday, May 20 at 5pm. This EOI should give a brief description of your experience, academic interest, and ideas for future SIS events.
