

We are delighted to announce the **call for applications for the next cohort of the Naveen Jindal Young Global Research Fellowship (NJYGRF)** – a prestigious, fully-funded residential fellowship hosted at our globally recognized, research-intensive university.

Following the remarkable success of our most recent cohort—bringing together **37 emerging scholars from 14 countries** for a 30-day immersive academic experience—we now invite nominations for the upcoming **December/January batch**.

About the Fellowship

The NJYGRF is designed to empower exceptional **Ph.D. scholars and early-career faculty members (below 42 years)** from around the world through:

- **Collaborative Research** across disciplines,
- **Global Mentorship** with leading faculty,
- **Academic Skill Building** through intensive writing and research workshops, and
- **Cultural Immersion** into India's rich heritage.

Fellows will participate in a **one-month on-campus residency at JGU**—India's only private university recognized as an *Institution of Eminence*—where they will engage in interdisciplinary research, attend high-impact lectures, and experience global academic networking at its finest.

What Makes NJYGRF Unique?

- **Curated Cluster Mentorship:** Structured research clusters guided by senior scholars to nurture thematic inquiry and interdisciplinary exchange.
- **Writing Workshops by CWS:** Engaging academic writing sessions conducted by leading faculty from JGU's Centre for Writing Studies.
- **Global Guest Lectures:** Interactive sessions with university leadership, senior deans, and international thought leaders.
- **Embassy Visits & Diplomacy:** Exclusive cultural and educational engagements with embassies and high commissions in New Delhi.
- **Cross-Cultural Celebrations:** Music, dance, and culinary exchanges showcasing the fellowship's commitment to unity in diversity.
- **Field Excursions:** Visits to iconic Indian landmarks such as the **Taj Mahal, Akshardham Temple**, and **Dilli Haat**, offering immersive cultural learning.
