

EMORY NURSING

Presentations

Phan, Q., Chance-Revels, R., Ferranti, E., Chicas, R., Downes, E., & Kimble, L. P. (Nov 12-15, 2023). Innovation in development of nurse-led mobile health teams using non-traditional academic and community-based service organizations partnership. APHA 2023 Annual Meeting and Expo. Poster Presentation. Atlanta, GA

Susan Brasher and colleague from the Marcus Autism Center were invited to present at the Conference of Research Innovations in Early Intervention (CRIEI) on the topic of "Creating a Home Visiting Program to Promote Early Language and Family Outcomes".

Jinbing Bai was invited to speak in The MASCC/AFSOS/ISOO 2024 Annual Conference in Lille, France, under the session "Gut-brain axis dysfunction: what is it and why is it an overlooked aspect of neuropsychological symptoms?".

Stacy Buchanan will co-present: Acute Care SIG and Immunization SIG RSV Talk topic: RSV Prophylaxis, protection that's not a vaccine! Wednesday, December 6, 2023 at 8:00PM Eastern Time
Join Zoom Meeting: umich.zoom.us/j/94502869326
Meeting ID: 945 0286 9326
Passcode: 557062

McDermott, C; Abiri, A; Irish, J; Chicas, R. (2023). Adopting Narrative Medicine for Nursing Student Learning Activities to Advance Competency in Social Determinants of Health. Poster Presentation, AACN Transform 2023, American Association of Colleges of Nursing, Lake Buena Vista, FL. Nov 30-Dec 2, 2023.

Stacy B. Buchanan has been accepted to present a poster titled: Identifying Vaccine-Hesitant Caregivers of Children Ages 0-5 Years Using the Parent Attitudes about Childhood Vaccines (PACV) Survey during the 2024 NAPNAP Annual Conference in Denver, Colorado Friday, March 15, 2024 at 9:15:00 AM.

Rajamohan, S., Chalmers, K., Zouncha, R., & **Brasher, S.** (2023). REST: A model to build resilience among nurses. Poster presentation. American Nurses Association-New York. Verona, New York.

Lisa Marie Wands, along with Suzie Kardong-Edgren, was a guest on Immersive Medical's live weekly podcast to discuss the need to not traumatize nursing students in immersive simulation (December 11, 2023).

Abstract accepted for a 90-minute symposium at International Nursing Association for Clinical Simulation Learning (INACSL) 2024 Conference being held in Raleigh, NC in June 2024. Title: "Simulation Facilitation: A Systematic Review Protocol." Presenters: DiGregorio, H., Andrew, T., Brennan, B. A., Shelton, C. M., Repsha, C., Vaughn, J., **Wands, L.M.**, Wruble, E., & Yeager, C. This group is updating the INACSL Standard of Best Practice for Facilitation.

Ann Rogers participated on a panel about wellness for the Judicial Council of Georgia/Administrative Office of the Courts December 14, 2023.

Stacy Buchanan will speak on Vaccine hesitancy at the CHOA (Children's Healthcare of Atlanta) APP Conference Friday, February 10, 2023.

Rose Murphree was featured with her WOC Nurse colleague, Kelly Jaszowski, in the 6 part Ostomy Observations Series found on the WOCTalk Podcasts. They discussed the importance of keeping ostomy patients out of acute care once they've returned home. They also shared insights on effectively managing high output ileostomies.

Rose Murphree has been asked to serve as a subject matter expert (SME) on the upcoming CFCN job analysis task force, sponsored by WOCNCB. The meeting will be from 02/17/2024 to 02/18/2024. The purpose of this meeting is to identify foot care nurse responsibilities in order to maintain content valid certification exams which are representative of the CFCN role. These analyses are performed every 5 years. As SME, we will define and validate domains and task statements on job descriptions for CFCNs. We'll also look at the knowledge and skills required to perform CFCN tasks.

Lisa Thompson was invited to speak at a webinar with the Massachusetts General Hospital Institute of Health Professions Center for the Environment and Health and the Center for Climate Change, Climate Justice, and Health in the School of Nursing on Wednesday, January 17, 2024.

Yufen Lin had the honor of being invited to present at Doctoral Seminars at two esteemed universities in China. The first seminar was held at Central South University on December 20, 2023, from 10 AM to 12 PM, followed by a seminar at Fudan University on December 26, 2023, from 1 PM to 3 PM. The seminar, titled "Advances in Oncology Nursing Research & PhD and Postdoc Application in the US," aims to serve

as a bridge facilitating the exchange of research ideas and fostering collaborations between the two countries.

Abstract has been accepted for presentation at the American Associations for Cancer Research (AACR) Annual Meeting in April 2024 in San Diego and will be published in the online Proceedings of the AACR. "**Lin, Y., Spikes, T., Bruner, D.W., Paul, S.,** Miller, A. H., Conneely, K.N., Saba, N.F., & **Xiao, C.** Associations of biological aging with perceived stress in patients with head and neck cancer: A longitudinal study. Presentation at the American Association for Cancer Research Annual Meeting, San Diego, CA, April 5-10, 2024."

Lori Modly will present on 2 topics during the Multi-University Collaborative Symposium presentation at SNRS in Charlotte, NC on February 22, 2024. Harvesting Insights: Field-Based Data Collection Strategies to Unravel Environmental Health Determinants in Farmworkers and Better Together: Enhancing Interdisciplinary Health Education Through Sustainable Clinical and Academic Partnerships.

Lori Modly, LaDonia Patterson & Lisa Muirhead will present at the NONPF 50th Annual Conference, The NP Educators Golden Jubilee in Baltimore, MD on April 19, 2024. This presentation discusses a case study on establishing the NEST: a holistic center for NP students and educators to enhance academic support and well-being. We will explore program outcomes specific to our first semester NP students taking the 3Ps, we will also share lessons learned to guide nurse practitioner faculty in implementing similar strategies for student success.
