

EMORY NURSING

Presentations

Erica Davis and Lisa Marie Wands. Poster. Utilizing Self-Determination Theory to Support Student Competence was accepted for poster presentation at the 2025 NLN Nursing Education Research Conference (NERC) taking place in Washington, DC, next March.

LisaMarie Wands and Hannah Jarvis (former BSN Honors student). Poster. Stress Check: An Observational Study of Nursing Students' Perception Before and After Multi-Patient High-Fidelity Simulation was accepted for poster presentation at the 2025 NLN Nursing Education Research Conference (NERC) taking place in Washington, DC, next March.

LisaMarie Wands, Michael Garbett, Rose Murphree, & Elizabeth Woods. Podium. Measuring Mastery: A Clinical Evaluation Tool for Prelicensure Students was accepted for poster presentation at the 2025 NLN Nursing Education Research Conference (NERC) taking place in Washington, DC, next March.

Cherie Cofield was an invited guest speaker for the American Society of Pain Management Nursing (ASPMN) journal club on August 5, 2024, to discuss her 2024 article, The Inequality of Pain Control in Patients With Pain From Sickle Cell Disease: A Case Report.

Sharron Close promotes patient-centered design in research. This poster was presented at the Academy Health Conference 2024: "Patient and Caregiver Recommendation to Inform Enhanced Recovery Protocol Implementation in Pediatric Surgery: A qualitative Study" that is currently being written into a

manuscript. This project demonstrates outcomes from an R01 Pragmatic Implementation Study in 18 pediatric hospitals across the entitled, "Implementation Enhanced Recovery Protocols in Children Undergoing Gastrointestinal Surgeries." I am Co-I in this study and created the qualitative methodology section for the grant as well as incorporated the Patient Advocate Liaison (PAL) as a special role on the implementation team at each hospital. Erica Davis' AHA abstract was accepted for the 2024 Scientific Sessions. Title: Aging, Lifestyle, and Diet Quality in a Black Heart Failure Population.

Roy Simpson will be the keynote speaker at the Louisiana Great 100 Nurses Foundation taking place October 16, 2024, at the Pontchartrain Center in Kenner, LA. The Great 100 Nurses Foundation was founded by PK Scheerle, RN in New Orleans, Louisiana 38 years ago. Since its founding, the Great 100 Celebrations have honored thousands of Nurses across Louisiana, North Carolina, Texas, Oklahoma and now Arkansas! These exemplary Nurses are selected based on their concern for humanity, their contributions to the profession of Nursing, and their mentoring of others. It is a great honor in the life of the Nurse to be selected as a Great 100 Honoree and our Foundation helps each RN recognize themselves as Nurse Heroes. Each year, community, health care, government leaders, family, friends and peers join together to honor these exemplary registered nurses. The funds raised through the Celebration are used not only to honor the nurses at the annual Celebrations, but to also support nursing advocacy, nursing scholarships, and nursing research for the betterment of lives, publication of nursing discoveries and the implementation of those discoveries. The Great 100 Nurses Celebration belongs to everyone who has met and been touched by an exceptional Nurse!

Roy Simpson will be the keynote speaker at the Great Delaware Valley ANIA Conference taking place Saturday, October 5, 2024 at 8:15 am in the Greater Philadelphia area and Delaware. "Revolutionizing Nursing: The Impact of AI Tools on Education, Research, and Practice".

Greater Virginia American College Of Healthcare Executives - **Susan Swanson**, Chair of Program Committee, and **Roy Simpson** will host and moderate the ACHE conference on ACHE Chapter Panel Discussion - #V2: Virtual Learning Environment on September 24, 2024. ACHE Chapter Virginia.

Cherie Cofield was selected to present a poster at the SCDA 52nd Annual National Convention in October 2024.

Kylie Smith has been invited to be keynote panelist at a two-day workshop at Duke University in North Carolina entitled "Promises and Challenges of Multivocal Research Practices concerning Segregated Black Asylums". The workshop brings together historians, archivists, and communities to discuss the challenges of working with and preserving records from state psychiatric hospitals in North Carolina.

Kylie Smith has been invited to present research from her forthcoming book "Jim Crow in the Asylum: Psychiatry and Civil Rights in the American South" at Georgia Tech as part of the School of History and Sociology speaker series. (November 4, 2024, 4pm).

Kylie Smith will be the keynote speaker for the 2025 Meeting of the Canadian Society for the History of Medicine (CSHM) (May 2025). It is a conjoint meeting with the Canadian Society for the History of Medicine. The conference takes place as part of the Congress of the Social Sciences and Humanities annual conference.

Jennifer Frediani spoke, as an invited speaker, at the 18th Annual Women and Heart Disease Conference this past weekend 08/26/24 in Atlanta. The title of the talk was Nutrition Counseling for Cardiovascular Disease Prevention.

Jennifer Adamski was a guest on Becker's Healthcare podcast. Topic titled: Nurses at the Forefront: Driving Equity in Critical Care. The episode explores the critical role nurses play in advancing health equity within the ICU. Jennifer shares insights on how nurses can make a difference at the bedside and the challenges they face. Also discussed are strategies for empowering nurses and fostering a culture of equity in critical care.

Jennifer Adamski gave the keynote address at Harborview Medical Center in Seattle, Washington on September 5, 2024 for their summit on Healthy Work Environments: Impacts and Implications.

Jennifer Adamski will present the Keynote Speech entitled "Rising to New Heights" at the Diamond State Symposium in Lewes, DE on September 13, 2024.
