CGHI has a vested interest in building up young professionals in the life sciences community in the state of Georgia to empower the next generation of leaders. Mentorship serves as a key component of accomplishing this goal, and Georgia has no shortage of leaders in life sciences who serve as excellent mentors.

**Spring Session 2022**

**Program**
The program if for masters and PhD students, recent grads, and soon-to-be graduates. It begins with four professional development workshops, all run virtually from noon to 1pm. Mentees are then connected with two industry mentors and meet with each at least two times. The program concludes with a networking celebration... hopefully in-person!

**Workshop Topics**
- Resume Development
- LinkedIn Leverage
- Interview Strategies
- Networking
