What is Meet and Mentor?

*Meet and Mentor* is Emory's only university-wide mentorship program organized by the Emory Residence Hall Association (RHA). This program aims to connect current Emory undergraduates that hope to attend a graduate program with current graduate student mentors. Mentor-Mentees will be matched based on career and educational goal interests. Mentors from Emory Graduate schools (James T. Laney School of Graduate Studies, Emory Rollins School of Public Health, Nell Hodgson Woodruff School of Nursing, Emory School of Medicine, Emory University School of Law, and Goizueta Business School) will be paired with an undergraduate student from Emory College of Arts and Sciences. We hope to build lasting and supportive mentor-mentee relationships that will help students of all different backgrounds develop professionally.

Graduate students and alumni of the following programs are eligible to apply:

- Emory School of Medicine:
  - MD, MD/PhD program
  - PA program
  - PT program
  - Genetic Counseling Program
  - Anesthesiology Assistant Program
- Rollins School of Public Health
- Emory Law School
- Nell Hodgson Woodruff School of Nursing
- Goizueta Business School
- Laney Graduate School

Your Role as a Mentor & Mentor Expectations

- As a mentor you will be expected to meet with your mentee(s) at least 2 times to discuss topics on the curriculum. The curriculum includes conversations about:
  1. Involvement and Opportunities
  2. Building and Reviewing Resume/CV Interview Skills
  3. Preparing for Post-Graduation Plans
- Resources will be provided for mentors to support their mentees in each of the curriculum areas. We hope that as a mentor you will reflect on your experiences as you navigated your undergraduate career and what was most important for you as you got to graduate school.
- Mentors will also be provided with letters of certification for volunteer hours done (completed as meetings with Mentees) as a part of the Meet and Mentor program.

How to Become a Mentor

To become a mentor, complete the Graduate interest form [here](https://tinyurl.com/gradmandm) or at [https://tinyurl.com/gradmandm](https://tinyurl.com/gradmandm)

The deadline to submit your form is December 31, 2022 @ 11:59pm.
